Bingo at St. Mary's Nursing Home, Saturdays from 12:30PM to 3:00PM

Last season a variety of teens from our parish as well as some of their families joined together to help run Bingo at St Mary's Nursing Home in Cherry Hill. Our teens had such a great time that we are going to resume our efforts in October. According to the staff at St. Mary's the residents can not wait for us to return, they had so much fun as well as being able to win more prizes than ever. So if you would like to be a companion for just a few hours and brighten someone's day then this is definitely the opportunity for you!

Ronald McDonald House: Sundays, 3PM to 6:30PM

We are in the process of setting dates for October, November and January for this service opportunity. We are looking for teens who would like to help cook and serve dinner for families who's children are currently admitted to Children's Hospital. Due to the size of the kitchen only 8 people can participate at one time. If you (as well as a group) would like to participate please call the Youth Center for updated information.

Heart of Camden: 2nd Saturday of every month, 9AM to 1PM

Heart of Camden has a great need for volunteers primarily to clear out or gut housing in preparation for rehabilitation as well as help renovate the neighbor in other ways. The 2nd Saturday of every month they are asking volunteers to just 'show up' and be ready to work from 9AM to 12Noon. Each second Saturday there will be a different project that needs to be accomplished. It could be working on a house, planting tree, or even painting the side of a building filled with graffiti. No matter what is it, there is always help that is needed. To be placed on a team, please call the Youth Center for more details!
